Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Wycliffe Global Alliance
Dallas, Texas

WYCLIFFE GLOBAL ALLIANCE

Notes to Consolidated Financial Statements

September 30, 2016 and 2015

1. NATURE OF ORGANIZATION:

Wycliffe Bible Translators International, Inc. (d/b/a Wycliffe Global Alliance or the Alliance) is a Texas non-profit corporation, exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Alliance is classified as a public organization under Section 509(a), and not a private foundation. Contributions to it are tax deductible within the limitations prescribed by the tax code. The Alliance has offices in Singapore; Dallas, Texas; Nairobi, Kenya; and Burbach, Germany. The balances and activities related to the offices are included in these consolidated financial statements.

In November 2015, the new bylaws of the Alliance recognizing all organizations of the Alliance as one category of membership was officially passed. The organizations become known as Alliance Organizations (AOs) when they sign a covenant agreement with the Alliance.

The Alliance exists to encourage and facilitate greater partnership in reaching minority peoples with God's Word and message of hope in the languages they understand best. It promotes the efforts of the AOs (more than 80 AOs) as they engage with the worldwide Church in providing resources for Bible translation and related ministry around the globe. It also facilitates and encourages the work of participating AOs that lead Bible translation programs and serve language communities in their own nations. The Alliance and many of its AOs partner closely with Summer Institute of Linguistics, Inc. (SIL), which facilitates language based development and serves the people of the world through research, translation, and literacy.

The work of the Alliance is primarily carried out by staff that voluntarily joined an Alliance Organization which assigned them to serve the Alliance. The Alliance's revenues consist primarily of contributions from AOs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The consolidated financial statements of the Alliance have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

RELATED ENTITIES

Related entities, not included in these financial statements due to their financial and administrative independence, are listed below:

- Wycliffe Bible Translators, Inc. (Wycliffe USA) is an interdenominational, nonprofit, missionary organization with the goal of forwarding, in every way possible, the translation of the Word of God into all those languages of the world where it is needed. Wycliffe USA controls and has an economic interest in Wycliffe Foundation (WF).
- SIL provides training programs for linguists and supports the study of and translation into the less known and unwritten languages in the world. It also promotes literacy development in these languages. JAARS, Inc. (JAARS) provides technical, logistic and personnel support for field operations. SIL and JAARS are consolidated for financial reporting purposes.
- RIA Charitable Investments Inc. (RIACII) exists to provide a pooled investment opportunity for certain Alliance Organizations.

ESTIMATES

The preparation of consolidated financial statements in accordance with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

PRINCIPLES OF CONSOLIDATION

This report includes the Alliance and Wycliffe Africa because Wycliffe Africa is under the control of the Alliance. All inter-organizational transactions have been eliminated.

CASH AND CASH EQUIVALENTS

Cash consists primarily of checking accounts deposited with financial institutions and a cash deposit with a related entity. From time to time, balances in these accounts may exceed federally insured limits. As of September 30, 2016 and 2015, The Alliance had \$791,859 and \$59,486, respectively, deposited with a related entity functioning as a money market account. The Alliance holds 21% and 60% of its cash in accounts outside the United States as of September 30, 2016 and 2015, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENTS

Investments consist of funds placed with RIA Charitable Investments Inc. (RIACII). RIACII operates as an investment pool available to certain Alliance organizations. Funds deposited with RIACII are invested in a variety of fixed income securities including U.S. Treasury issues, corporate bonds, and mortgage backed bonds, which borrow and pay in U.S. dollars. RIACII carries two investment pools. The short term portfolio pays interest at a stated rate as determined from time to time by the board of directors (2% and 2.25% as of September 30, 2016 and 2015, respectively) to participants in proportion to the amount they have on deposit in the pool and is carried at cost plus accrued interest. The long term portfolio does not pay out interest, but allocates all net income or loss to the participant's deposit in the pool. The Alliance did not have any investments in the long term pool as of September 30, 2016 or 2015.

Interest income earned and reinvested by the Alliance for the years ended September 30, 2016 and 2015 was \$118,536 and \$156,735, respectively, and is included in interest income on the consolidated statements of activities. As of September 30, 2016 and 2015, RIACII reported total assets with a fair value of approximately \$89,243,000 and \$88,058,000, respectively, of which the Alliance holds \$5,916,637 (7%) and \$6,798,180 (8%), respectively. Credit risk is the failure of another party to perform in accordance with the contract terms. The Alliance is exposed to credit risk for the amount invested in the pool.

Balances which the Alliance holds and invests for non-U.S. Alliance Organizations (AO) are classified as "Amounts due to staff and related entities" on the consolidated statements of financial position (see Note 3). Interest (1.20% and 1.20% as of September 30, 2016 and 2015, respectively) is paid on these AO balances in proportion to the amount they have on deposit in the pool through the Alliance. Interest paid for the years ended September 30, 2016 and 2015 was \$58,585 and \$93,871, respectively, and is included in general and administrative expenses on the consolidated statements of activities.

ACCOUNTS RECEIVABLE

Accounts receivable primarily consist of advances to related ministries and other local organizations and individuals. Past collection experience has been that essentially 100% of receivables have been collected. Therefore, no allowance for doubtful accounts has been established.

OTHER ASSETS

Other assets include various prepaid expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

PROPERTY AND EQUIPMENT

The Alliance's property and equipment includes equipment in Asia and Europe. Property and equipment expenditures in excess of \$5,000 are capitalized at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the equipment, which ranges from 3 to 10 years.

NET ASSETS

The net assets of the Alliance are classified into net asset categories according to externally (donor) imposed restrictions as follows:

Unrestricted net assets include gifts for the general operations of the Alliance, funds designated for specific uses by the board of directors, and equity in property and equipment.

Temporarily restricted net assets include gifts for which donor-imposed restrictions have not been met, but for which the ultimate purpose of the proceeds is not permanently restricted.

SUPPORT AND REVENUE

Revenue is recognized when cash is received, unconditional promises are made, and when ownership of donated assets is transferred. AOs assess contribution income at rates that range from 0% to 15%. Some of this assessment is passed to the Alliance as a contribution to be used for general and administrative expenses. This assessment contribution is classified as unrestricted net assets at the time the Alliance receives the contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CONTRIBUTED SERVICES

Contributed services represent the value of the staff provided by the AOs. These services are recorded at the salary expense amount incurred by the AOs.

The costs of providing program and supporting services are allocated and summarized on a functional basis in the consolidated statements of activities. All expenses are recorded when incurred in accordance with the accrual basis of accounting.

FOREIGN CURRENCY

The financial activities of the area offices are recorded and maintained in U.S. dollars. Contributions received and expenses paid in foreign currencies are recorded in U.S. dollars using the exchange rate applicable on the date of the transactions. Any resulting gains or losses on currency exchanges are included in other income on the consolidated statements of activities. The consolidated statements of financial position reflects the value of foreign currency accounts in U.S. dollars using the exchange rate as of September 30, 2016 and 2015, respectively.

Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of September 30, 2016, the Alliance had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.
